

Dear Sir or Madam

You have certainly made yourself a question already where to accommodate or to entertain your business partners and participants of seminars, sport events, educational courses and other occasions.

Let us introduce our offer and capacities, thus enabling your decision-making easier as well as to save your time looking for appropriate vacancies and suitable venues at most reasonable prices for your activities to take place there.

DIJAŠKI DOM BEŽIGRAD Hall of Residence for Student is an educational and schooling institution intended for lodging, education and schooling of secondary school, high school and university students. In the context of additional activities, the infrastructure of this hall of residence is used for the benefits of tourism as well. During school holidays and on school-free days, the DDB capacities are given on accommodation disposal including meals and use of other rooms and outdoor areas to prior arrangement.

Map

DDB is situated in the Bežigrad academic quarter of Ljubljana, in Kardeljeva ploščad 28, only close at hand to Bežigrad faculties and secondary schools, the Stožice Sports Venue, Ljubljana Central and ŽAK Stadiums. Visitors to the hall of residence may use parking area in front of the building to park private cars as well as few buses. The bus-stop is not far from the hall and it will take you a 15-minute walk to get to the central railway and bus stations, and just five minutes more to get to the city centre on foot.

During holidays and on school-off days, the hall of residence gives its capacities on disposal to the groups of visitors as well as to the individuals. In case of free capacities on school days, visitors may use them exceptionally. Prior bookings are required both for groups as well as for individual visitors.

Rooms

Dijaški dom Bežigrad gives on disposal 146 single-, double- and three-bed rooms, i.e. 349 accommodation post. All rooms have been renewed and suitably equipped, and include the bathroom and WC each, and are arranged in three inter-connected buildings. At his arrival, every visitor is provided fresh bed linen and a towel which are replaced by the new ones accordingly. The wireless internet access is on disposal in rooms and common use areas.

The lodging price already includes self-service break-fast, lunches and dinners will be offered to at least 30-person groups to prior arrangement. Alcohol-free drinks are served with each meal and are already included in the price. Furthermore, excellent banquets with champagne and delicious pastries could also be offered on request. In place of meals, our guests may take alternative dishes (lunch packets), informal picnics taking place in the atrium of the hall could also be prepared by our kitchen staff. Bills of fare may meet guests requirements or be created by the cooks of the hall.

Dining-room

The 200-sitting posts dining-room is a multi-purpose venue used for dining, socializing and performing other activities there. Additional rearrangement of the room may provide 100 more posts to visitors. Due to its multi-purpose stage, audio-, video- and lighting equipment the room is convenient for different events, shows, lessons, seminars, etc. The atmosphere may be even more pleasant if an event is taking place in the atrium of the hall, most suitable for various parties, dances, social events and celebrations.

Atrium

In a safe shelter from the wind, located between the buildings of the hall of residence, there is the outdoor atrium decorated by the greens, flowers, foot-paths, garden benches, tables, amphitheatre and stage, a perfect place for about 300 guests to socialize, spend free-time and do many other similar activities like cultural events, gatherings, celebrations, etc.

Computer room

The computer room is equipped by 10 computers (the Windows operational system), which are all connected to the world's network. The equipment enables users to do current work without any difficulties by using word processing programmes and by direct access to the Internet and electronic mails. The classroom is also convenient for seminars, presentations and educational courses.

Classrooms

The hall of residence gives on disposal few 20-posts classrooms, suitable for socializing, purposes of studying, and seminar lay-outs. In case of need, a classroom may be equipped by audio-, video- and computer devices for contemporary performance of seminars and other activities.

Beside entertainment which the city of Ljubljana and its surroundings may offer to visitors, our hall of residence may also variegate an average day time by

the TV room, areas for socializing, playing billiards, table-football, darts, outdoor basketball pitch and seven-a-side football (rent-a-balls), table-tennis (rent-a-racquets).

In order to make the staying in this hall of residence even more pleasant, there have some other things been arranged for you:

self-service vending machines for alcohol-free beverages, hot drinks and snacks, the Internet small nook in the main hall, short-time luggage deposits, tourist-information service, small kitchen to prepare hot drinks there, self-service laundry washing and drying.
